Created by Gary Goldschneider and Joost Elfers, this fascinating work is the double volume of the best-seller The Secret Language of Birthdays. The first part includes the study of typical personalities based on the theory that people born the same day or even during the same week share the same characteristics. More detailed than the traditional astrology of the twelve solar periods, this book divides the year into forty-eight "weeks" and, on oterces oterces ejaugnel IE .sodoÁrep sose etnarud sodican sol ed sociÁcepsè dadilianosrep ed sogsar sol ebricsed ,solle ed esab It presents profiles of relationships in pairs, based on their personality perities, with a total of 1176 possible combinations. Answer questions such as: What happens if two types of type come into contact, their energy fuses within a differentiated entity that is no longer one of the two but the result of both? What would be the characteristics of that third new energy? It is confirmed that the total is truly greater than the sum of the parties. Indeed, the underlying truth of the book is that the relationship between two gives rise to a third different entity. The Secret Language of Relationships has 1,176 amazing combinations - the forty -eight combined peers between 5å. The relationship location table, printed on the front and posterior part of the book, provides access to the página in which each relationship profile develops. In them we will learn everything about relationships, whether real or theoretical. Relationships do not only love and marriage, but also of friendship, professionals, parents, brothers ... contains more than 2500 photographs of famous couples - so sentimental as of other types - and a beautifully enlightened text. Knowing the best relationships, the possibilities of love and lasting relationships multiply. The key is very simple: entering, understand your partner and understand the relationship of both.
